

SILVER BELLS (alternate lyrics) – author unknown

Hear the jingle of the sleighbells as we glide through the snow,

While our bright happy songs we are singing.

They are telling of that glad night in the long, long ago,

When the Saviour of sinners was born.

HEAR THE BELLS (HEAR THE BELLS)!

HEAR THE BELLS (HEAR THE BELLS)

RINGING THE MESSAGE OF CHRISTMAS!

(LISTEN TO THOSE) JOYOUS BELLS (JOYOUS BELLS)!

TINKLING BELLS (TINKLING BELLS),

RINGING DOWN DEEP IN YOUR HEART!

With their clear bells on the corner stand the people in blue,

Asking shoppers to share in the giving,

For through sharing and through caring there will come, it is true,

Christmas joy that will last all the year.

Best of all, we hear the church bells peeling carols so sweet,

Clearly heard o'er the noise of the traffic.

Come and worship, come and worship at the dear Saviour's feet!

How we love Him for whom the bells ring!
